

**3.S.1.1.** Students are able to **recognize** ways to recycle, reuse, and reduce consumption of natural resources.

**Webb Level: 2**

**Verbs Defined:**

Recognize – to know

**Key Terms Defined:**

Consumption – use up

Natural resources – materials found in nature

**Teacher Speak:**

Students are able to recognize (to know) ways to recycle, reuse, and reduce consumption (use up) natural resources (materials found in nature).

**Student Speak:**

I know (recognize) ways to recycle, reuse, and reduce the using up (consumption) of materials found in nature (natural resources).
