

REPORT on a Waiver from an Administrative Rule

Each school district with an active administrative rule waiver must file a cumulative report with the Department of Education at the end of the administrative rule waiver period. The report must encompass the entire period during which the waiver was implemented. Waivers are granted in 5-year periods. The completion of this form will satisfy the reporting requirement. Additional documentation may be added if necessary.

Renewal requests will not be granted without submission of this report.

Section I – Waiver Details

School District: _____

Participating Attendance Centers: _____

Academic Years Being Reported On: _____

Administrative Rule Waived: _____

Course(s) to Which Waiver Applies: _____

Section II - Reasons for Waiver

Review Section V of the school district's application for the waiver being reported on. Explain how the waiver has satisfied those reasons.

Section III - Administrative Rule Intent

The intent of administrative rule waivers is to allow (1) students in grade prior to grade nine to earn high school credit, (2) a high school age student to earn credit by exam. Describe in this section how the district is ensuring that this requirement is being met.

Section IV - Waiver Implementation

Explain the methods used to implement the waiver, evaluate learner outcomes, and assist students who do not succeed in the course to which the waiver has been applied. Include specific criteria and methods of assessment where possible.

Section V - Learner Outcome Data

Provide data regarding the learner outcomes at the schools that have applied the waiver being reported on. This data can be in the form of a chart, table, or narrative that shows numerical data for student participation and related information.
