Re: SD FY2012 Competitive Title I School Improvement Grant (1003g)
 Huron Middle School #12SIG200204

Dear Dr. Harms:

Mr. Mike Taplett and I are requesting an amendment to the 2011-2012 Competitive Title I SIG for the Huron Middle School. These amendments allow us to spend the remainder of the 2011-12 grant while staying within the approved grant activities.

Requested amendment: Per your prior approval, we will be using the 1003(g) SIG funds to cover additional excess SES costs. Also, Instructor Resource Guides and Headphones to be used with the Academy of Reading & Math training and software were not included in the previous amendment.

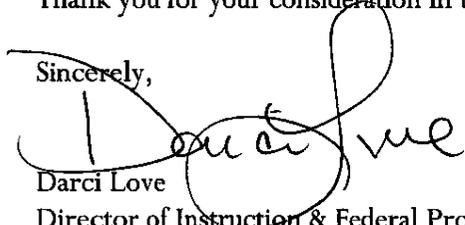

Summary of budget amendment:

Amendments	Amount
SES Services (contractual)	\$731.00
Academy of Reading & Math software & materials Instructor Guides & Headphones to be used with software (supplies)	\$1085.00
Indirect Costs	\$ 789.00

As set out in the table below, we are requesting to transfer funds from salaries and benefits to the contractual line item for the additional excess SES tutoring costs for middle school student, supply line item for the cost of Instructor Resource Guides and Headphones, and Indirect Cost line item. The amount for SES tutoring is \$731. The amount for the resource guides and headphones is \$1085. The Indirect Cost amount is \$789, which will bring the budget to a zero balance.

	Salaries	Benefits	Equipment	Supplies	Contractual	Prof Dev	Sub-Totals	Ind Cost	Total
Current	88,177	18,104	9799	52,027	8724	2900	179,731	589	180,320
Amendment	87,106	17,159	9799	53,112	9455	2900	179,531	789	180,320

Thank you for your consideration in this matter.
